College Heights Happenings

Mr. and Mrs. Henry Henriksen paid the hill-top a short visit this week. Mrs. Henriksen was the teacher of the English Department here for five years.

Mr. P. D. Gerrard on Monday gave an interesting chapel talk on how students can earn their way through school by selling books. Several such students are attending college here this winter.

In a recent R.O.P. test, the samples of milk of the College herd tested from 3.8 to 4.3 p.c. butter fat, with an average test of 4.6, which is exceptionally high for Holsteins.

C.J.C. Prince Ormsby 82598, a senior yearling bull bred by C.J.C. and shown by Hays & Co., of Calgary, took the third prize at the Pacific International Exposition at Portland, and fourth at the Royal Winter Fair, Toronto.

Pastor J. J. Reisweig, of College Place, Washington, is conducting a series of consecration meetings at Canadian Junior College this week.

Pastor S. A. Ruskjer and family motored to Bentley on December 6th to conduct services.

The fire last May destroyed the College library of two thousand volumes. To date eight hundred volumes have been catalogued to replace those lost, but by the end of January there will be more than one thousand four hundred, states Mrs. Howard, the librarian. Queens University at Kingston donated fifty of their copies. A liberal number of magazines, such as the National Geographic, etc, have been subscribed for. These will be placed in their respective binders.

Mrs. E. Dodd arrived Monday from Regina to spend the winter with her daughter, Mrs. C. W. Shankel.

CANADIAN JUNIOR COLLEGE GIVES A CHARITY CONCERT

On Monday evening, December 15, at 8 o'clock, the Music Department of Canadian Junior College, assisted by Miss Maud F. Crump, the College expression teacher, is giving a concert in the Public School auditorium, Lacombe, the net proceeds of which go to local relief work.

Mr. Verne Kelsey, the head of the Music Department at the College, is a pupil of such world famous men as Jan Chiapresso and Ernest Bloch, and has taught at the MacPhail School of Music, the Musical Arts Institute, and the San Francisco Conservatory of Music. Mr. Kelsey teaches piano and theoretical subjects.

Miss Georgia M. Neithercut of Winnipeg, the vocal teacher of the College, will have a prominent part in the programme, as will also Miss Crump, Reader.

The programme will consist of a number of musical selections, both vocal and instrumental, interspersed with a generous number of sparklingly humorous and serious.

As the concert is given for the purpose of raising funds for relief work in Lacombe and vicinity, a large attendance is anticipated. Seventy-five percent of the proceeds will go to the Child Welfare Fund of the I.O.D.E. the remainder will be used by the College Sunshine Band.

Lacombe Seed Fair

A Seed Fair and Judging Competition will be held in the Church Hall, Lacombe, on Saturday, December 20, under the auspices of the Lacombe Agricultural Society. The object in holding this Fair is to locate and advertise good seed grain in the district and provide an elimination contest for the Provincial Seed Fair to be held in Edmonton on January 13th to 16th and for the World's Exhibition and Congress to be held in Regina in 1932. The amount of seed and classes selected will be the same as for the Provincial Seed Fair at Edmonton.

The seed judging competition is to select a young man to represent the Lacombe District at the Provincial Seed Judging Competition to be held during the seed fair week at Edmonton. The winner of the local competition will be given a free trip to Edmonton while the winner of the Provincial Competition will represent the Province at the World's competition, to be held in Regina in 1932.

The Agriculturaul Society is particularly anxious to have a good representation of grain shown and a large number of boys enter the competition. There are no entry fees for either and three placings will be made. Prizes in the classes in which awards are given will be as follows: 1st, $1.00; 2nd, 75c.; 3rd, 50c. Prizes will be awarded for wheat, oats, barley, rye and potatoes. In the other classes, places only will be given. The prizes in the seed judging competition will be as follows: 1st, a free trip to Edmonton; 2nd, $5.00; 3rd, $4.00; 4th, $3.00; 5th, $2.00; 6th, $1.00.

Wheat, 50 lbs. grain required.

Class 1—Spring wheat, any good milling variety.

Class 2—Registered spring wheat.

Class 3—Spring wheat, early varieties. Reward, Garnet, Red Boba, etc.

Class 4—Spring wheat from any field entered in a Standing Field Crop Competition in the Lacombe District.

Class 5—Winter wheat, any hardy variety.

Oats—80 lbs. grain required.

Class 6—Oats, Banner type.

Class 7—Oats, Victory type.

Class 8—Oats from any field entered in Standing Field Crop Competition in the Lacombe District.

Barley—40 lb. grain required.

Class 9—Six rowed barley.

Class 10—Two rowed barley.

Miscellaneous:

Class 11—50 lbs. winter rye.

Class 12—50 lbs. Spring Rye.

Class 13—30 lbs. field Peas.

Class 14—20 lbs. timothy Seed.

Class 15—10 lbs. Brome grass seed.

Class 16—20 lbs. Rye grass seed.

Class 17—20 lbs. Alsike clover seed.

Class 19—20 lbs. Alfalfa seed.

Class 20—20 lbs. Sweet clover seed.

Class 21—40 lbs. any named white variety of potatoes.

Class 22—40 lbs. any named red variety of potatoes.

Class 23—10 ears white corn.

Class 24—10 ears yellow corn.

The following requirements for the Provincial Seed Fair but not applicable to the local competition:

"A certificate of germination and purity must be attached to all entries of grasses, clovers, vegetable and flower seeds. Germination certificates are required for all oat and corn entries. These certificates can be secured by sending sample of exhibit to the Dominion Seed Branch, Calgary. These certificates must accompany entries, otherwise the exhibit will be disqualified. (Germination tests for three samples will be made free of charge by the Dominion Seed Branch, Calgary, for any person or firm each year. Over that number a charge of 50c. is made for each test."

For further information telephone Tom Wilkes, Phone 49, secretary of the Seed Fair.

Death of Mr. George H. Grant

George H. Grant, well known old timer of this district, died at his home at Morningside on Saturday last. The funeral was held from his late residence on Tuesday, interment being made in Lacombe cemetery. There was a very large attendance of friends of the bereaved family, and many floral tokens of sympathy were received.

Deceased was born on Sept. 11, 1858, at Oldburne, Wiltshire, England and came to Canada at the age of 18 years. Returning to England, shortly afterwards, he joined the colors, and was stationed in India for five years, with his regiment the 2nd East Lancashires.

In 1886 he married Amanda Middleton, also of Wiltshire, Eng. Seven children, 5 boys and 2 girls were born, six of whom are still living. He is also survived by his widow. The children are William, Charles, Eunice, Morris, Henry and Alice.. Another son, Shannon, was killed in the great war.

He was for 11 years with the Pelham Nursery Co., and in 1898 homesteaded in the Milton District, near Lacombe.

The sympathy of their many friends is extended to the bereaved family.

EDUCATIONAL TALK

W. D. Bayley, B.A., of the Department of Education, Winnipeg, Manitoba, spoke under the auspices of the Provincial Department of Education here today to 376 pupils at the Lacombe School, and to some 50 of the citizens of Lacombe.

Mr. Bailey has been speaking to some 25,000 young folks in Alberta in the past month.

His talk was illustrated by blackboard sketches which all followed with interest. The human mind was analyzed by the way in which it was built up, with copious illustrations from life. The ill effects of alcohol were shown by the fact that it puts the reasoning part of our brain to sleep first, and it leaves the animal part to function. Mr. Bailey's disarming manner was accentuated by humorous stories. He speaks tonight at the Canadian Junior College.

Edgar Todd, Vice-President of the Lacombe High Student's Union thanked Mr. Bailey for his lucid Scientific address.

CHRISTMAS CARDS

In the office of the Halpin Quick Print, are some of the most beautiful examples of the card makers art. They are beyond a doubt the most beautiful and neatest collection of cards ever offered for sale in Lacombe, and the prices are well within the reach of all, ranging from $1.00 per dozen to $6.00 per dozen. We know these cards could not be bought elsewhere for twice the money and the only reason we have for reducing the price to a ridiculously low figure, is because we are overstocked with them and do not wish to keep them over for another season.

If you feel that a dozen cards would be too many for your needs, we can split the lot at a slight advance of price, or you can buy unprinted cards from us. These range from 2 for 5c. up and include the fancy lined envelopes. Only a small quantity of these unprinted cards are being offered and will be grabbed up quickly, so get in before the rush starts.

REMEMBER—you have only a few more days in which to mail your cards to assure Christmas delivery, and you should get in as soon as possible, so as not to be disappointed.

WE WILL BE OPEN SATURDAY NIGHT so that those from the Country can look over our stock. We guarantee two day service on all Christmas cards.

Third Sunday in Advent

November 14th

11:00 a.m. Sunday School.

11:00 a.m. Morning Prayer.

7:30 p.m. Evening Prayer.

The Sunday School of St. Cyprian's Church will give a Christmas Entertainment on the evening of Wednesday, December 24th, in the Club Room in the Paisley Block. An admission of ten cents will be charged for the purpose of helping to cover the expense of providing gifts for the children. The Barnett Avenue entrance to the Club room will be closed that evening in order to have a stage at that end of the hall. Entrance will be through the door opening on Railway Street. Come and enjoy a good Christmas programme, and thus help to encourage our children.

LACOMBE DRAMATIC CLUB

The Lacombe Dramatic Club are appearing before the Pubuic on December 17th and 19th in the Comet Theatre with a great Comedy "When A Feller Needs a Friend". This is one of Baker's Royalty Plays, which is a guarantee of its quality. It is pure fun from start to finish, with many embarassing moments for the hero, Tom and his friends Bob and Jerry. The first scene opens with Tom and Bob in a bare room with only one suit of clothes between them, and no food for another meal. In bursts Jerry, a returned soldier, also trapped, and with no suit at all.

The coming of an uncle and aunt, the borrowing of a wife, and vexing complications, all add to the comedy.

To see this play is to have enjoyment. To miss it is to have regret.

The Dramatic Club has lost some of its players, but new ones have been secured. Mrs. Hunter is again the director, and has chosen the cast successfully. Joe Lahiff is the leading man in the part of Tom. Mrs. Aldwinckle has the part of the Weeping Land Lady, Mrs. Reese. The Aunt and Uncle are Mrs. Buchanan and Ray Saunders. Wilfred Brebner and Bob McCaugherty are the friends in misery, Bob and Jerry. Mrs. Lahiff and Marjorie Fawcett are the young ladies that become the real wives, Angela and Elain. Beth McDermott takes of Liz to perfection, and Boyd Carruthers is a real one in Bing.

This comedy is one that will appeal to a Lacombe audience, and they will enjoy the talent of their own town. The prices are fifty and twenty five cents. On Friday night only will there be Reserved seats at seventy five cents, to be booked at Sweet's Pharmacy.

BLACKFALDS NEWS

It was decided at Sunday School last Sunday to meet only on alternate Sundays when the preaching service is held during the Winter months. No school next Sunday.

Quite a little business was done in Blackfalds district during the last week in pure-bred stock. Mr. Fahrbach has imported three pure-bred Cheviot Sheep, winners of laurels at the Toronto National Exhibition. The Tamarack Stock Farm sold another of its pure-bred Holstein males, and John Laing has disposed of nine head of pure-bred Shorthorns.

MARRIED

Jensen-Longman

At four o'clock on Monday, December 8th, St. Cyprian's Church, Lacombe was the scene of a marriage of interest; when Hilda Marie Longman, daughter of Alexander Woyen, Esq., became the bride of Arthur Ejner Jensen, son of Mr. and Mrs. Emil Jensen of Frederikhavn, Denmark. The happy pair was unattended.

Mrs. M. W. Forster the organist of St. Cyprian's recorded most acceptably, the wedding marches, and other music appropriate to the occasion. Mrs. Forster, together with Mrs. Chapman, signed the Register as witnesses.

The groom is a highly valued member of the staff of the Provincial Mental Institution at Ponoka.

NERVOUS WOMAN NEARLY DRIVES HUSBAND AWAY

"I was very nervous and so cross with my husband I nearly drove him away. Vinol has changed this and we are happy again." Mrs. V. Duesa. Doctors have long known the value of mineral elements iron, calcium, with cod liver peptone, as contained in Vinol. Nervous, easily tired people are surprised how Vinol gives new strength, sound sleep and a BIG appetite. Gives you more PEP to enjoy life! Vinol tastes delicious. Sweet's Pharmacy, Lacombe

NO MORE WORRY ABOUT WEATHER CHANGES

With the change of weather to rain, or sleet, or high winds, a great many people in this northern climate suffer from stiff and aching muscles and joints, which is a form of rheumatism. Other causes are sprains, over-exercise, and after various strenuous sports.

Immediate relief can be obtained by rubbing in a few drops of Absorbine, Jr., to the parts affected. And in most cases a few treatments will drive away the pain.

Absorbine, Jr., safeguards you against infection because it is both a highly efficient antiseptic and a germicide. It is greaseless and stainless and quite harmless. Buy a bottle at your druggist's—$1.25—and prove its great value by actual experience. 132

A SUGGESTION FOR PRACTICAL CITIZENSHIP

For many winters, Lacombe might have been referred to as the "thick town" where the residents have to walk in the middle of the streets, and this, in spite of the fact that a very large sum is paid in frontage tax each year for sidewalks, but which remain covered with snow.

Last winter several women and children had narrow escapes from injury from passing automobiles and heavy sleighs sloughing around and many citizens feel that the time has come when some pressure should be put upon residents to clear their sidewalks of snow after each storm.

The suggestion has also been made that part of the monies spent in relief work might very well be used to keep the walks adjacent to the town properties, park, vacant lots and sides of the corner lots clear of snow after each storm and that residents might be given a reasonable time to clear the snow from walks fronting their properties, and on them failing to do so the town might do the work, charging the owner a reasonable sum for the labor.

A petition is being circulated to this effect and it is to be hoped that all residents will be prepared to support the council in whatever measure they may deem most expedient to obtain the desired end.

In the meantime, if each resident would feel his own personal responsibility for his own few feet of Lacombe sidewalk, he would benefit in added vigor and pride of citizenship, and women and children would enjoy a much greater measure of safety and those needing more work would no doubt be very glad of the extra opportunity thus provided.

PROTEST AGAINST CLOSING BLACKFALDS STATION

A number of the residents of the district met in the community hall on Wednesday afternoon. Mr. E. Matthies was appointed chairman, and in a few forceful words stated the purpose of the meeting which had been called to consider the matter of the closing of local station. After some discussion, a petition was framed interceding with Board of Railway Commissions not to close the station, for the landowners had made their purchases on the basis of a local station, and its removal would depreciate the values of the land and work a hradship on the community. The condition is abnormal, owing to the general financial conditions. The petition was signed by thirty-eight residents, and many more have signed since, the papers being in the hands of Mr. J. B. N. Miller. It will be presented through the U.F.A.

Board of Trade Reviews Activities

The fourth quarterly meeting of the Lacombe and District Board of Trade was held in the town hall on Thursday evening last, with the following members present: G. E. DeLong, President; Mayor Jackson, E. C. Chapman, U. E. Reeves, C. B. Halpin, A. Belcher, Rev. R. B. Layton, W. C. Sweet, P. C. Owen, T. F. Roberts, T. Wilkes, E. W. Simpson, W. J. Trott, Stuart Taylor, Dr. Sharpe, A. M. Campbell, and the Secretary, Jesse Fraser.

The minutes of the previous meeting having been read, on motion they were adopted.

Mr. Trott enquired if the Department had been approached on the question of the routing of the roadway through the town. Mr. Chapman stated that he had interviewed the Department personally, and that promise had been secured that just as soon as an engineer was available, they would gladly co-operate with the town in choosing most suitable route. Mayor Jackson promised that he would at once take the matter up with Mr. Rees, engineer in charge of the Gull Lake highway, and see if he would be willing to undertake the work.

Mr. Wilkes enquired as to what had been done regarding the Musical Festival, and was informed by Rev. R. B. Layton that so far nothing had been done.

The secretary-treasurer read the financial statement, of receipts and expenditures, which showed that the Board had a balance in bank of $192.65. The secretary gave an exhaustive report of how the money had been expended on District Exhibits, and Mr. Wilkes gave an account of the the success of the exhibits at Calgary and Edmonton, and was sure that our district had gained a lot of valuable publicity from the exhibits, winning first at Calgary and 2nd at Edmonton. After a short discussion, on motion the Financial Statement was adopted.

On motion a hearty vote of thanks was tendered Thos. Wilkes for his hard work in arranging the exhibits, and unanimously passed.

The President reviewed the work done by the Board during the year, and was pleased to say that the Board was working hard. He reviewed the financial statement, and was sure that every cent had been wisely expended. He pointed out the great advertisement the district had received from the District Exhibits; the work done to secure the grading of the Gull Lake road, etc. He did not think the banquets should be continued this year in view of the fact that money was a little scarce this season, but he looked for conditions to improve in the near future. Other work done by the Board was in connection with the establishment of a Pure-Bred Sire Area, the Field Crops Competitions and other matters of interest.

Mayor Jackson stated that the Council had extended an invitation to the Lacombe and Blindman Valley Hog Pool to hold their annual meeting in Lacombe, and thought that the Board should also extend an invitation.

James Kinley's book, "A New Era" was discussed at length, and came in for much favorable comment. It will be further discussed later on. No action with the request from the promoters of the R. N.W.M.P. Memorial in Calgary.

The question of the failures of Chinese merchants throughout the Province, was brought up, and it was thought something should be done through the Attorney-General's Department to have these failures investigated with a view to finding out how these failures happened.

On Motion of Mayor Jackson, the secretary was instructed to interview the Attorney-General's Department on the matter. Secretary was also instructed to again take up the question of the Forestry Station with the proper authorities.

Mayor Jackson informed the meeting that the contract for gravelling the Gull Lake road had been let to the Commercial Cartage Company, of Calgary, and that the expenditure was to be proportioned between Lacombe, Aspen Beach, Bentley and Sylvan Lake, and relief work given where needed to all unemployed married men first, and that as far as possible local trucks would be employed.

The Chairman brought up the matter of local relief in Lacombe, and was informed by Mayor Jackson that the council had taken up work and arrangement had been made that Married men could be assured of $10 per week wages gravelling the streets and unmarried unemployed would also receive assistance so far as possible.

Rev. Mr. Layton stated that a committee was also working in providing clothing for those needing same.

Annual meeting will be held 21st or 23rd of January.

Preparation for Christmas

The days until Christmas are narrowing down, and as the season approaches there are many odd jobs you wish done to brighten your home. Start with your lighting. Perhaps a couple of wall brackets, or some floor plugs for your bridge, floor lamps, etc., would give you just what you wanted to make your home more attractive. The cost is very small, but yet nothing could give you more satisfaction.

If its electrical consult me and I would be pleased to give you prices and suggestions.

Tickets to Happiness, Romance, or ?

Some of the 30,000,000 tickets which are sent out annually to Agents by the Canadian National Railways. These tickets are made from strong paper or cardboard and are received from a specially guarded ticket-printer which turns out 1,500 different varieties and a dozen different color combinations. Ninety-five per cent of these tickets will be returned after use, some of them blood-stained, most of them crumpled and ragged, but they will be carefully checked before being destroyed. What becomes of the other five per cent is a mystery that the railways have not been able to solve.

A Tribute to Sunday Schools

Of four thousand boys who passed before a New York judge in twenty-three years, only three had belonged to a Sunday school.

This is a powerful testimony to the value of religious training. Also, perhaps, to the probability that there are not enough Sunday schools.

The testator is Judge Lewis L. Fawcett, of the New York State Supreme Court. He writes in a letter to Dr. G. W. Carter, general secretary of the New York Bible Society, as follows:

"Permit me to state that my experience during twenty-three years on the Bench, in which time over 4,000 boys under the age of 21 years were convicted of crime before me, of whom but three were members of a Sabbath school, has satisfied me of the value of Sabbath schools to the community, in helping safeguard it, to extent to which Sabbath schools exist, from the growth of criminals."

Judge Fawcett adds that in 1902 cases of suspended criminal cases, there were over 1000 cases in which there was what he believes permanent reform; in each case some minister, priest or rabbi being directly interested.

Judge Fawcett proceeds:

"I regard our Sabbath schools, including those of all faiths, as the only effective means to stem the rising tide of vice and crime among our youth. Society carries the heavy burdens of criminality, chiefly because of the lack of religious training of the youth.

"If all the children could be kept under the influence of the Sabbath school, and the grown-ups were active in some church, we could close our prisons and jails, instead of being compelled to enlarge and increase their number.

"The problem of youth is the problem of humanity.

"There are over 17,000,000 boys and girls in this country growing up without moral training from any source—Protestant, Catholic or Jewish.

"May your labor of love in teaching God to the children be fraught with most glorious results through their salvation and their work in His cause in the years to come."

This is certainly a remarkable testimony to the value of religious effort.

Officially closing the 1930 shipping season as far as inward bound Quebec terminus ships are concerned, Canadian Pacific liner Empress of Australia docked at Ancient Capital November 21, carrying back from the Imperial Conference Premier Ferguson of Ontario, Hon. Hugh Guthrie, Minister of Justice; Hon. C. H. Cahan, Secretary of State, and Hon. Thomas Chapais, Canadian delegate to the League of Nations.

Dressed poultry shows are being held in Regina on December 10th and in Saskatoon on December 11th for the purpose of arousing friendly competition in poultry production among the farmers of the province and further to advertise the poultry industry, according to W. Waldron, provincial markets commissioner. Mr. Waldron said that money prizes and special awards are to be given at these shows.

Little Julian Veboh, of Princeton, B.C., six years of age, has accepted foster parenthood of his 2½-year-old sister, Marie, and his 11-month-old brother, Mat, across the Atlantic on Canadian Pacific liner Montcalm, while their father treks back to his wifeless home in the mountains. The children were turned over to their grandmother at Cherbourg and will be taken to Prague, Czecho-Slovakia.

Headed by the Rt. Rev. Andre Lefebvre, Bishop of Ming Po, China, four priests and eight sisters, composing the largest missionary party to leave Canada for the Far East this year, left recently from Vancouver by S.S. Empress of Asia. They will join missions in Japan and Manchuria as well as China.

That the British and American people should assist the Kuomintang Nanking Government in the continuation of its difficult task of drawing China together, is the opinion of Col. Haley Hall, D.S.O., British Customs Commissioner, late of Tientsin, interviewed recently while en route to London, England, by Canadian Pacific Railway. "The brains, military power and general ability are to be found in this Southern Government, and only when China is reorganized will business conditions become stabilized," he added.

It is just 25 years since the provinces of Alberta and Saskatchewan were created. At that time the population of Alberta was 185,000. It is now about 650,000. Saskatchewan in 1905 had a population of about 195,000; now it is around 867,000. Total area of land under cultivation in Alberta, 25 years ago, was 660,000 acres, and in Saskatchewan, 2,000,000. To-day the two provinces have 15,000,000 and 30,000,000 acres under crop, respectively.

Two big bull moose—one of them one of the finest this year to come out of New Brunswick forests—and six buck deer were the trophies of the hunting party headed by Bob Shawkey, late manager of New York Yankees. Harry Rice, Yankee outfielder; Benny Bengough, former Yankee catcher, now with Milwaukee, and John Kracke, New York sportsman, were the other members of the party and all were successful in getting game.

The Southern Alberta honey crop this year will reach at least 750,000 pounds or almost double what it was a year ago, according to latest advices. The quality this year is said to be very high.

This Simplicity means money to YOU!

John Deere Farm Tractor

Simplicity in the tractor you buy is mighty important to you.

This quality means easier operation, fewer adjustments to make, fewer repairs to buy, less trouble, and, what's even more important, it means longer life.

In the illustration above, you see the remarkable simplicity of the powerful, light-weight John Deere Tractor. It shows you at a glance why the John Deere is known as **the tractor of fewer, but sturdier, parts.**

A strong, one-piece frame encloses the entire working mechanism, protecting all parts from dust or sand, and supplies a reservoir for automatic lubrication so that all working parts operate in a constant bath of clean oil.

From engine to drawbar, the John Deere is a simple, but powerful giant, with no unnecessary parts to add weight and cause loss of power.

When you're ready to buy a tractor, don't overlook the fact that the John Deere is actually hundreds of parts simpler than other tractors of similar power rating.

When you're in town come in and look it over.

Making your profits Permanent

THOUSANDS of men have "cashed in" on their holdings after years of unremitting toil and have re-invested only to lose their profits in unwise speculation. Life annuities provide an invincible protection against such calamities.

In May, 1928, a group of North Dakota business men sold their extensive holdings. While the deal was pending they decided to re-invest the proceeds in life annuity contracts. After investigation they paid the Sun Life Assurance Company of Canada over three million dollars in premiums for annuity contracts. They were attracted by the safety and convenience of these annuities and the large returns.

Sunday Night Suppers Prepared on Saturday

BY EDWINA NOLAN

Director of Home Service, General Electric Refrigeration Department

SUNDAY night suppers can be tedious affairs or they can be happy and gay and served without fuss. The secret, of course, is preparing them in advance.

The simplest of menus is the one that men like the best, as for instance:

Toasted Mushroom Sandwiches
Chicken and Cucumber Salad with Potato Chips
Chocolate Cream Cup Cakes
Coffee

The mushroom sandwiches are made on Saturday afternoon, folded in a damp towel and put into the electric refrigerator, where they keep in perfect condition until Sunday evening. The lettuce is washed and put into the vegetable pan in the refrigerator to crisp. The mayonnaise is made and, with the cucumbers and an eight-ounce jar of chicken, put into the refrigerator. Cup cakes should be made on Saturday morning.

The filling for the toasted mushroom sandwiches: 1 pound mushrooms, 4 tablespoons butter, 3 tablespoons flour and ½ teaspoon salt. Peel the mushrooms, remove stems and scrape them. Chop mushrooms and stems fine, melt butter in frying pan and add finely chopped mushrooms. Saute slowly until mushrooms are golden brown. Then dredge with flour and salt, stir flour rapidly into mushrooms and cook until mixture thickens. Cool and use as sandwich spread. It will keep satisfactorily for two weeks or more in the electric refrigerator if not all used for the Sunday evening supper. Other menus are as easily arranged.

This plan leaves for the late Sunday afternoon only the combining of the chicken and cucumber salad. The sandwiches may be toasted on a grill at the table and the coffee made in the percolator.

The probe into the five recent deaths at the Royal Alexandra Hospital at Edmonton after operations, revealed that 10 out of 40 officials of the hospital, 6 of whom were operating room attendants, showed growths of the germ of streptococcus haemolyticus, to which the deaths were attributable. It was also brought out that the steam pressure in the sterilising room was only 9 pounds to the square inch, while the required pressure was 15 pounds. So the engineer of the institution was fired, the hospital and officials cleared of blame, and everything is lovely.

The Soviet has ruled that the five engineers recently tried for treason, and who pleaded guilty, will be allowed to live; which is pretty positive proof that the trial was propaganda purely.

THE TAR AND FEATHER

The last echos of the much advertized tar and feather case was heard before Judge Mahaffy at Red Deer on Tuesday last when Ralph Mowbray and Walter Butlin were fined fifty dollars or three months, he dealing very leniently with them after all circumstances of the case had been explained to him by the defence attorney, Mr. McClure. The charge of kidnapping being withdrawn, the minor charge of assault was proceeded with. A very large number of disappointed people attended the trial—they expected the culprits to get clear, and also to hear a lot of "dirty linen" washed.

This Year

Make the Present Count Tomorrow

This year, more than ever, the thought is "Give the home a present". And what could be more appropriate than an Electric Range?

There are approximately 900 meals to be cooked in your home this year. And here's a gift that guarantees every one of them to be perfectly cooked. Think of it—a whole year's cooking problems simplified.

It's so easy, you see, to have perfect results with an Electric Range. Merely adjust the Electric Timer, set the Heat Regulator—put your dinner in the oven . . . and that's really all there is to it. You're free for the things you'd rather do and when you're ready to serve it, there's a delicious meal waiting for you.

What better Christmas gift for your family or for your home? Why not call our representative and find out how cool, clean and carefree electric cooking really is? We'll be glad to point out the superior convenience and economy features of the Electric Range.

A wide range of modern electrical appliance may now be purchased direct from the Calgary Power Company on a small down payment—the balance to be paid with your regular monthly light bills.

Assailants Pay $50 Fines

The trial of Ralph Mowbray and Walter Butlin, charged with the unprovoked assault on Fred Doberstein some months ago, took place at Red Deer on Tuesday. Both men were found guilty and fined $50 and costs each and given a severe warning by the Judge. These fines, added to the heavy legal fees entailed, makes their "fun" cost dearly, and also draws attention to the fact that the authorities will not allow "law" to be administered in Alberta by a bunch of irresponsible hoodlums.

The only one who emerges from this disgraceful affair with any credit is Doberstein.

CHRISTMAS RELIEF DANCE

Preparations are now under way for the big dance which will be held on Monday, December 22 in the Vet Theatre, Lacombe. As there are many families in the Town and District who will be in need of help at Christmas time, it was decided to hold this dance. The Lacombe Star orchestra, in co-operation with Mr. C. Nelson of the Avalon Theatre are attending to arrangements. Every cent of money taken in at this dance will be turned over the Lest We Forget Club of Lacombe to be used for making up Christmas baskets for the needy. The Star Orchestra are donating their services, and the hall is being given gratis to this cause. This is a most worthy cause and deserves the support of everyone. Tickets can be obtained from members of the Star Orchestra, Mr. C. Nelson of the Avalon Theatre, and will be sold on the streets in Lacombe.

Planes Welcome Heroes of the Air

First Canadian to cross the Atlantic in a heavier-than-air machine, Captain J. Erroll Boyd, and his American navigator, Lieut. Harry P. Connor, had a royal reception by land and air when they arrived in Montreal recently aboard Canadian Pacific liner Duchess of Bedford. Their historic flight commenced September 13 from St. Hubert airport near Montreal and they landed the same day at Charlottetown, P.E.I. Thereafter contrary weather delayed the adventure but eventually they took off from Harbor Grace, Newfoundland, October 9 and 24 hours later reached Tresco, one of the Scilly Isles. They were in London October 12 and the envelope in the above illustration shows dates of receipt and delivery corresponding to above times. Five airplanes met the Duchess of Bedford down the river and of these, three, representing the Montreal Light Aeroplane Club, are shown welcoming the flyers and the ship. Captain Boyd was met by his wife when the ship docked at Quebec and came up the river with him. Photograph shows him and Mrs. Boyd and Lieut. Connor. A civic reception was accorded the airmen and thousands listened in to their short addresses over the radio.

Here and There

Among the events of major importance to distinguish the coming winter sports season in Quebec will be the International Dog-Sled Derby to be held February 19-21 over a 120-mile course. It is expected Emile St. Godard, four times winner of the trophy, will defend his title. The Masquerade Ball at the Chateau Frontenac will be another high light on February 20. Other events will be the International Convention of Snowshoe Clubs from Canada and New England and the annual ice canoe race through the floes of the St. Lawrence about the middle of February.

The sporty seaside lay-out of the Victoria Golf Club where the third annual mid-winter golf tournament will be staged from February 23 to 28 came in for unstinted praise from Gene Sarazen, former United States open champion, and Al. Espinosa, of Chicago, interviewed recently. "I thought Victoria would be a land of ice and snow around this time and that Vancouver Island was a suburb of the frozen north," he said. His visit provided him with one of the surprises of his golfing career and both climatically and from the golfing point of view, Victoria was in both his and Espinosa's opinion ideal.

Making fast time in handling the annual inbound movement of the fruit, now as much a part of the Christmas board in western Canada as the turkey or mistletoe, a Canadian Pacific train of 26 cars carrying about 60,000 boxes of Japanese oranges reached Field recently after making the run through the mountains from Vancouver in fifteen minutes less than scheduled passenger train time. By mid-December it is calculated that 700,000 boxes of these oranges will have been delivered.

Colorful Yuletide pageantry, including the ceremony of bringing in the boar's head and Yule log, will be observed at the Empress Hotel, Victoria, Christmas Day and carol singers, a chef in Elizabethan costume attended by page boys and a court jester in cap and bells will accompany them through rotunda and dining room to the place of honor where the Lieutenant-Governor R. Randolph Bruce who is sponsoring the celebrations, will be seated.

Last week 970 letters came in one day to the radio office of the Canadian Pacific Railway from Melody Mike fans. They came from cities, towns and villages all over Canada and included many from the United States. It is an all-Canadian radio feature declared by radio station people to be, with one exception, the most popular feature on the air today.

The Emperor of Japan is among the recent new customers for British Columbia pure-bred poultry. A consignment of selected birds which sold for $4590, from some of the best poultry farms in British Columbia, was recently shipped to the Imperial farms. Each of the hens in the consignment has a record of 300 eggs or better per year.
